## Summary

Hi, I 25 years old. I studied Systems Information at University of Sonora. I want to work, to learn new things and share with other people. Have a little work experience. However, I'm ready to accept new challenges and learn new things related with my career, trying to make a humble and honest work. I like to play soccer and read.

E-mail: dalexisbr@gmail.com Cell-Phone: (662) 462 8913 Hermosillo, Sonora.
